WASTE & RECYCLING WORKERS WEEK

We are Celebrating Waste and Recycling Workers Week this June!

During the week of June 17th, waste workers are recognized nationally. We are celebrating all of our hard-working employees for their commitment to their jobs and for ensuring that our customers are taken care of throughout the year. We plan to celebrate our team with appreciation breakfasts and more. We encourage you to participate with us! If you feel inclined, we would love to know about the great experiences you have had with a member of our team. We recently launched [A Royal Experience](#) and [A Welsh Experience](#) on our website. You can now share a great experience that you have had with one of our employees. This will enable us to recognize our staff for specific instances when they go above and beyond.

Have You Seen Us at Events Lately?

We have been participating in numerous events and Touch-a-Trucks, teaching the community about the importance of recycling and safe waste management. We are so excited to be able to provide the children in our community with the opportunity to learn more about our profession, our trucks, and how our vehicles operate. Recently, our team member, John, and his daughter, Kayleigh, (pictured to the right) taught the kids in LaGrange about recycling and made necklaces with them out of repurposed bottle caps, courtesy of the A & A Redemption Center.

Upcoming Delay in Service

Please keep in mind your service will be delayed for the 4th of July by one day. Monday pickups will not be affected by this. Wishing everyone a happy and safe holiday.

Reminder:
Garbage and recycling pick-ups will be one day later than regular pick-ups on holidays. For example, on a Monday holiday, Monday pick-ups will be Tuesday.
