Royal & Welsh Picnic

In September we gathered the Royal and Welsh teams for our annual company picnic. The day featured horseshoes, food, activities for the little ones, music, and much more. It was a fantastic opportunity for everyone to come together and celebrate their hard work throughout the year. The picnic left everyone with smiles on their faces!

In the Community

While we love picking up garbage, we also enjoy getting to know the people who make the Hudson Valley so great! This fall you might have seen us around the town at various community events, like the Rotary Club of Wappingers Falls' Touch-A-Truck, East Fishkill Community

Day, Fostertown School's Trunk-or-Treat, and more. Between meeting the people who make up the community and being able to educate and answer any questions members have about the waste management profession, we always have a great time. Keep an eye on our social media to see where we will be next!

Ready for the Holidays

Did you know that households can see an increase in waste by more than 25% during the holiday season? From wrapping paper and packaging to food scraps and decorations, waste can accumulate faster than you ever thought. Before you know it, your container is full, leaving you with extra bags with nowhere to go. Switching to a larger waste container can help you manage your holiday waste more effectively by allowing you to enjoy the festivities without worrying about the cleanup.

To ensure you are well-prepared for the season, learn more about our **container sizes**.

Holiday Schedule

- New Year's Day
- Memorial Day
- July 4th
- Labor Day
- **Thanksgiving Day**
- Christmas Day

*Reminder:
Garbage and recycling pick-ups will be one day later than regular pick-ups on holidays. For example, on a Monday holiday, Monday pick-ups will be Tuesday.*
